

## 2024 NEBRASKA VETMOM SPONSORSHIP LEVELS

The Nebraska Dental Foundation (NDF) is a non-profit 501(c)3 organization. NDF will be coordinating the 2024 Veterans Mission of Mercy (NE VETMOM) event. This charity activity is expected to draw over 200 dental volunteers to provide free dental services to approximately 500 Veterans and spouses from across the state. NDF can accept cash, check or credit card gifts to help offset the cost of conducting this humanitarian endeavor that is expected to be over \$75,000.

100% of contributions to VetMOM are tax deductible and go directly for dental equipment rental, clinical installation fees, dental supply purchases and other expenses such as food, water and transport. NDF will underwrite their staff time to work on VetMOM. We accept in-kind donations of non-expired dental supplies, team snacks and PPE. If you would like to help sponsor the 2024 Veterans Mission of Mercy, please reach out directly to David O'Doherty at [david@nedental.org](mailto:david@nedental.org) or call #402-476-1704. **Proud to serve those who have served our Country!!**
